

Collect and Dispose of **NEEDLES** and **SYRINGES** Safely

- ◆ Wear rubber or puncture-proof gloves (if available)
- ◆ Use tongs, pliers or tweezers to pick up needle(s)
- ◆ Place needle(s) in a puncture proof container with a screw top lid (e.g. pop bottle, jar)
- ◆ Tape the lid closed if possible and label the container
- ◆ Take the container for free disposal at the Household Hazardous Waste Depot, 400 Pido Road (Wednesday - Saturday, 8:00 a.m. - 4:00 p.m.)
- ◆ Do not place the container in household waste or recycling bin
