Monday, November 30, 2009, Peterborough

The Peterborough County-City Health Unit is offering two H1N1 vaccination clinics in December for people who do not have a physician or for those whose physician is not providing the vaccine.

These clinics will take place by appointment only on Friday, December 11 and Friday, December 18 from 8:30 a.m. to 4:30 p.m. on both days. People without doctors can book an appointment by calling **743-1000, ext. 135**.

All local residents who have a physician and still want to receive the H1N1 vaccine are asked to call their doctor to book an appointment. A total of 76 physicians, representing the majority of physicians in the area, have the vaccine available now for their patients.

Further information about the H1N1 vaccine and where to access it is available at www.pcchu.ca.
