FOR IMMEDIATE RELEASE

**Health Unit Adds Two More
Seasonal Flu Vaccination Clinics to Run
October 20 and 21**

Friday, October 16, 2009, Peterborough

To accommodate the demand for seasonal flu vaccinations among those 65 years and older, the Peterborough County-City Health Unit (PCCHU) will be holding two additional seasonal flu vaccination clinics this month.

The clinic dates are as follows:

Date	Times	Location
Tuesday, October 20	9:00 a.m. to 1:00 p.m.	Evinrude Centre, 911 Monaghan Rd. Peterborough
Wednesday, October 21	10:00 a.m. to 2:00 p.m.	Evinrude Centre, 911 Monaghan Rd. Peterborough

Those attending these flu vaccination clinics will be asked to show a valid Ontario health card. Consent forms, and additional information about this year’s flu vaccination clinics are available on www.pcchu.ca.

PCCHU will provide seasonal flu vaccinations to people aged 65 and over and will distribute the vaccine to long-term care homes for their residents in October. This will be followed by the H1N1 flu vaccination program in November for all residents of Peterborough county and city. Seasonal flu vaccine will be available to the rest of the community following the H1N1 flu vaccination program.

Those 65 years and older can also obtain the flu vaccination from their physician, nurse practitioner or other health care provider.
